ACCESSORIES AND CONSUMABLES CHART!

ENHANCE YOUR SHELF-SPACE IMPACT AND HELP CONSUMERS TO MAKE PURCHASES!

- A shelf-space dynamic: a fully redesigned range with **attractive and trendy graphics**
- A label "ORIGINAL PART CERTIFIED" ensuring consumers **quality** accessories and consumables for **Groupe SEB products and brands**
- A strong identity for Groupe SEB brand finished products to boost the **image** of these brands

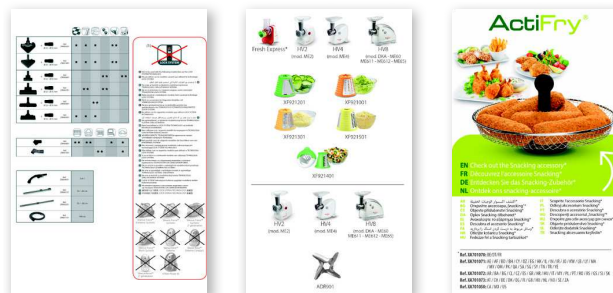

- **Clear and instant information** for easily finding products (family name, accessory identification)
- **Tips** to help consumers (technical icons describing accessory use or positioning)
- The **maintenance frequency** specified on the facings for certain accessories (filters, filter systems, anti-scaling cartridges)
- The **viewing of the finished product** or **compatibility information** range to help consumers to choose the accessory for their product

GROW SALES USING CROSS-SELLING:

For accessories belonging to a large range (vacuum cleaner brush range, Fresh Express range, ActiFry® range, etc.), we introduce all the additional accessories.

- Information about **the range of accessories** is displayed on the reverse

- Graphic coherence **for the range in product families** for enhanced on-shelf visibility

Groupe SEB's commitment to achieve ever higher customer satisfaction, is also reflected in its range of accessories

- they are developed with a specific product in mind
- with the same high standards,
- with the same precision,
- and the same expert advice.

Groupe SEB goes the extra mile in satisfying its users' needs and prolongs the experience with the results that can be achieved when using its products, additional functions and boxed accessory sets.

Thanks to its brand awareness, its presence in a number of media and its community of users acting as true ambassadors for its brands, Groupe SEB brings together a growing number of consumers every day.
